

MOCON, INC.
MINNEAPOLIS, MN USA

AMETEK MOCON Remains Open for Business During Covid-19 to Ensure Customers Receive Service & Support for Critical Food, Medical, and PPE Product Analysis and Testing

Minneapolis, MN, (March 37, 2020) - AMETEK MOCON is an essential business operation that ensures packaged food, packaged healthcare products and personal protective equipment (PPE) production lines can operate with quality controls. As such, our production, service and support operations are open for business during current Shelter-in-Place orders.

We will continue to produce and service our QA/QC analyzers and sensors during these challenging times, so that manufacturers of packaged food, healthcare and PPE products can continue to deliver these critical supplies. Together we will get through this period.

We are here to help our customers with service, support and testing needs to keep your business running smoothly. Please contact us to submit a request or browse our site to learn more about the services we provide.

Please take care and stay safe,

The AMETEK MOCON Team

About AMETEK MOCON
